# BLUEROCK INVESTMENT

# ABOUT BLUEROCK INVESTMENT

**Founded in 2002, the company is a USA-based investment firm operating across multiple high-growth sectors. The organization is led by CEO & Founder Ramin Kamfar, with Jordan B. Ruddy serving as President, and Ryan S. McDonald as Chief Investment Officer.**

**The company specializes in strategic investments in real estate, blockchain technology, property development, and asset acquisition and sales, focusing on building long-term value and sustainable growth.**

# MISSION

**Our mission is to deliver strategic and forward-thinking investment solutions across real estate, blockchain, and asset development by creating long-term value and sustainable growth. We are committed to driving innovation, identifying high-potential opportunities, and leveraging modern technologies to maximize returns for our clients, partners, and stakeholders**

# VISION

**Our vision is to become a leading global investment company recognized for excellence, trust, and sustainable growth. We aspire to set new standards in the investment industry by embracing innovation, adopting emerging technologies, and building a diversified portfolio across real estate and blockchain sectors. Through responsible leadership and long-term strategies, we aim to create lasting value, empower our partners and communities, and shape the future of modern investments worldwide.**
